Goals:

Consistently form a good embouchure,

Blow with "P" sound,

Spin the RED or GREEN fan for 3 or more seconds.

- A) Form the embouchure using a MIRROR while blowing with a "P" sound. (Think Winnie the "POOH.") Hold the right-hand pointer finger under the lips.
- B) Replace the pointer finger with the Pneumo Pro (Keep black surface parallel to the ground—the picture below shows a little foam jewelry piece.)
- C) Circle which fan was spun and how many seconds the fan spun.
- D) If two fans spin: circle both colors.
- E) Repeat all the steps above ten times.
